1. Governance Structure
   A State level Monitoring Committee headed by the Additional Chief Secretary/Principal Secretary (Home) / Commissioner (Home) shall be constituted along with the Additional Chief Secretary/Principal Secretary (School Education) and Director General of Police to lay out broad policy objectives and operational guidelines. The Committee shall also monitor the progress of the programme.
   There shall be a Steering Committee at the District level to implement the Student Police Cadet Programme under the Chairmanship of the District Magistrate with the Commissioner of Police/Superintendent of Police and the District Education Officer/ DI of Schools as Members. The Commissioner/Superintendent of Police shall nominate a Nodal Officer, not below the rank of a Sub-Inspector, to coordinate and liaise with the schools and other relevant stakeholders for implementing the Programme.

2. Coverage
   The Student Police Cadet Programme shall in the first instance be implemented in Government Schools. These schools could be in urban/municipal areas or in rural/panchayat areas. The State level Monitoring Committee shall take a decision on the number of schools to be covered in each such area, subject to the allocation of funds being made for the purpose.

3. Curriculum and Pedagogy
   The course curriculum for the Student Police Cadet Programme has been formulated by BPR&D. The curriculum is to be imparted over a period of two years i.e. in classes 8th and 9th. It is expected that one class per month shall suffice to cover the curriculum. The outdoor activities which are part of the curriculum may need half a day twice a month. The outdoor activities can be conducted after school hours or on weekends. It is thus expected that the Student Police Cadet Programme shall not lead to any significant increase in the curriculum load of students.
   The States should select & train their officers/instructors for the Programme by using the services of Master Trainers and the model curriculum developed by BPR&D. The States can also involve officials from other Departments who can also be trained by the Master Trainers such as Sports, Youth Affairs, Environment & Forests, Civil Defence etc. The curriculum developed by BPR&D can be adapted by each State as per the State’s culture & traditions. The curriculum may be translated in other languages too for ease of instruction.

4. Allotment and Utilization of funds

Funds have been allotted to the States under the Modernization of Police Forces scheme for implementation of the Student Police Cadet Programme. These are thus subject to the sharing pattern between Centre and States applicable to the MPF scheme.

In case the state chooses not to participate in the programme, no allotment of funds shall be made for the purpose. These funds are to be used strictly for training and teaching aids including expenses incidental to the same. An allotment of Rs.50,000/- per annum may be made to each school for the above purpose including conducting outdoor activities. Out of this amount, a sum of Rs.16,000/- may be earmarked for teaching aids, another Rs.24,000/- for outdoor activities, Rs.5,000/- for training and the balance for contingency. As you are aware, the Ministry of Home Affairs, Government of India intends to implement a Nation-wide Student Police Cadet (SPC) programme. The objective of the SPC Programme is to impart values to school-going students to enable them to become responsible citizens. The programme intends to introduce a robust interface between the police and school-going students through lectures by volunteer police officers in schools on how society can partner with Police for peace and public safety. Apart from this, the programme also intends to include lectures on topics such as environmental protection, social harmony, respect to senior citizens, promotion of sports, among others that will help inculcate such values and motivate students to become better citizens. Similar programmes are currently under implementation in different forms in some states such as Kerala, Karnataka, Rajasthan, Gujarat, Haryana, and Maharashtra to name a few.

2. The Bureau of Police Research and Development (BPR&D), Government of India is designing a model national syllabus for this purpose which is being finalized by a National Syllabus Committee comprising of Inspector General from BPR&D and representatives of some states. BPR&D will also train five master trainers from each state who can then further train volunteer trainers from each police station area in their respective state at the State Police Training Centre. The master trainers as well as the state voluntary trainers can be drawn from police officers, school teachers, sports coaches, employees of forest department and other volunteers from the society. Once trained, the state volunteer trainers can take classes for students of 8th and 9th standards in various schools, who enroll in the Student Police Cadet programme. Typically, the SPC programme may incorporate one class period per week during school hours and can be treated as an extracurricular activity. Ministry of Home Affairs is separately approaching the state School Education Departments for permitting such activity to be taken up during school hours as an extra curricular activity.

3. The national model syllabus being developed by the BPR&D can be adopted by the states in vernacular with incorporation of local values, customs and cultural attributes. Government of India has also released funds to all states for preparing the training material based on this syllabus and for procurement of training aids such as CDs, projectors etc.
4. It is expected that the student police cadet programme will lay a significant foundation for a harmonious relationship between police and the community at large, thereby helping to harbingers a peaceful and prosperous society. It is expected that implementation of the programme will be formally launched in September 2017, once the preparatory work is undertaken.

5. In this connection, you are requested to appoint a nodal officer for your state for implementation of this programme, preferably of the rank of Additional DGP who is dealing with training or community policing. You are also requested to identify five master trainers from your state and intimate their names to BPR&D for initiating their training process.

With regards,

Yours sincerely,

STUDENT POLICE CADET PROGRAMME

Student Police Cadet (SPC) programme is for the student of 8th and 9th Standard to evolve as responsible and capable citizen of democratic society. The objective of the SPC programme is to impart values to school going students to enable them to become responsible citizens. The programme intends to introduce a robust interface between the police and school going students through lectures by volunteer police officers in schools on how society can partner with Police for peace and public safety.

2. It is submitted that National Police Congress held in Dehradun in 2011 recommended for nation-wide roll out the Student Police Cadet (SPC) programme. A well designed two years SPC training programme is already undergoing in Kerala and replicated in other states viz. Gujarat, Haryana, Karnataka and Rajasthan. The Ministry of Home Affairs decided to roll out of the Student Police Cadet programme for the betterment of civic society nationwide.

3. The Home Minister of Kerala had informed in 2016 that as part of the SPC programme, 40,000 cadets from 433 schools are undergoing training in Kerala. 840 trained teachers and about 1500 police officers are currently serving SPC as resource persons. SPC has 2 years training programme to strengthen the physical, emotional, social, skill, intellectual and entrepreneurial quotients of the cadets. SPC in a short span of time has emerged as an easily applicable solution focused partnership model. He had further requested to take a leadership role in getting the SPC project scaled up across the nation, by providing necessary facilities and resources, with due consideration of regional variations.

4. As decided, a draft SFC Memo for a total budget of Rs. 430 crore for completion of two batches in three years for implementation in 3440 schools (5 schools from each district and 44 cadets from each school) across the country, was prepared and the same was forwarded to Ministry of Finance for in-principle approval. According to proposal, the Central Government has to bear hundred percent shares for all the proposed 1738 Central Schools like KV, JNV & Tibetean Schools. It was also proposed that the total of 413 schools from eight North-Eastern States including Himachal Pradesh, Uttarakhand & J&K would be covered in the sharing ratio 90:10 and remaining States in the sharing ratio 60:40 by Centre and States respectively.

5. While examining the SFC Memo, the Ministry of Finance advised to seek concurrence of States to bear the State share expenditure for implementation of this programme in their State. It was also suggested to seek comments of relevant Ministries prior to seek in principal approval of Department of Expenditure. Accordingly, all the State Governments / UTs were requested to
convey their concurrence to bear the expenditure. Further, Ministries/Departments were also requested to examine and offer their comments that this scheme has no overlapping on any other scheme being run at their end. In this regard, comments were received from Ministry of Youth Affairs and Sports and Ministry of Defence. The Ministry of Youth Affairs & Sports supported the proposal while Ministry of Defence was in view that NCC may be strengthening in lieu of launching a new programme.

6. With regard to budget, it is stated that Rs. 29.75 crore has been approved under HS/HM Contingency Reserve Fund under MPF Scheme for financial year 2016-17 for implementation of SPC programme. Guidelines for implementation of Student Police Cadet Programme have been issued to DsGP of all the States.

7. In the meantime, a meeting was held on 30.5.2017 under the Chairmanship of JS(PM). BPR&D has been mandated to prepare a model National Syllabus and guidelines for the Nodal Officers/Masters Trainers (MTs). BPR&D has designed a Model National Syllabus for this purpose, comprising topics relating to various flagship programmes of various Ministry/Departments. The Model Syllabus would be circulated, separately wherein the States/UTs will have option to choose the topics from the list, according to their need and convenience and on the basis of the support/help/interest of other Departments/organisations in the States.

8. Further, all the State Governments/UT Administrations have been requested vide D.O. letter dated 21.6.2017 followed by an O.M. dated 24.7.2017 to appoint a Nodal Officer from their respective States/UTs preferably of the rank of ADGP who is dealing with training or community policing, for successful implementation of the programme. It was requested to identify five Master Trainers for each States/UTs and intimating their names to BPR&D for their training process. A meeting of the Nodal Officers on SPC was held on 22.8.2017 under the Chairmanship AS(PM) to discuss the implementation of SPC Programme and training of Master Trainers/Resource persons. In the minutes, it was suggested that States are free to improve in the programme using their own resources/CSR funding to run it successfully. BPR&D has organised two workshops of Master Trainers in October, 2017.

9. All the State Governments/UTs Administrations have also been requested to constitute a State Level Monitoring Committee under the chairmanship of Chief Secretary and Additional Chief Secretary/Principal Secretary(Home), Additional Chief Secretary/Principal Secretary (Education), DGP of the respective State will act as a member secretary of the Committee. The Committee will coordinate with other Departments/Organisations/SCERT etc. for their cooperation/participation in finalisation of the curriculum, identifying schools to pilot the Programme and other necessary steps for successful implementation of the programme in the respective State.
10. The MHA vide D.O. letter dated has also requested the MHRD to issue necessary advisory to all the State Governments/UTs to extend their cooperation for successful implementation of the Programme in their respective States/UTs. It has also been requested to consider to instruct all the concerned for implementation of the programme in all the Central Government School i.e. KV/JNV/Tibetean Schools.

11. It is stated that a meeting was convened by the then AS(PM) with concerned officers of BPR&D and Govt. of Haryana to discuss the launching of the SPC programme in the middle of November, 2017 in Gurugram, Haryana.

12. It was decided with the approval of HM that the programme will be launched on 24th December, 2017 at Tau Devi Lal Sports Complex, Gurugram, Haryana. In view of the adverse weather forecast for that day, the position was reviewed and it was decided to postpone the launch of the programme and would be probably launched in second week of February, 2018.

Sub: Scaling up the Student Police Cadet Programme

Madam/Sir,

I am directed to refer to the subject mentioned above and to say that Ministry of Home Affairs has decided to nationwide rollout of Student Police Cadet Programme for the betterment of civic society. It may be recalled that the National Police Congress held in 2011 at Dehradun had recommended for nation-wide roll out the Student Police Cadet (SPC) programme. A well designed two years SPC programme is already under implementation in Kerala. The programme has also been replicated in other states viz. Gujarat, Haryana, Karnataka and Rajasthan.

2. Accordingly, MHA has prepared Draft SFC Memorandum on SPC programme to be launched in 3440 schools (44 cadets from each school) across the country. The total budget for this programme, for two batches to be completed in three years, has been calculated to Rs.430 Crore, including center and state share. The item wise and year wise details of the expenses are enclosed at Annexure-I & II. It has been proposed that all the 1738 Central Schools like Kendriya Vidyalaya, Jawahar Navodaya Vidyalaya and Central Tibetan Schools of Administration will be funded 100% by Central Government. A total of 413 schools (average 5 schools from each district including central schools) from Himachal Pradesh, Uttarakhand, J & K and 8 North Eastern States will be funded in the ratio of 90:10 and remaining schools of other states will be funded in the ration of 60:40 between Centre & State.

3. In this regard, the state governments may kindly convey their concurrence to bear the state share expenditure for implementation of this programme in their state. The comments for betterment of the programme are also welcomed.

Yours faithfully,

Encl: As above.
