

OTHER INFORMATION INTEREST

- Gallantry Medals Awarded to Policemen
- Comparison of Pay Scales of Policemen
- Terrorists/Extremists affected - Police Districts
- State of Mobility, and holding Computers
- Incidence of Transfers of Police Officers
- Firearms looted/stolen from Police
- Number of Criminal Courts

This chapter gives the information on State/UT wise data on the Recipients of Police Medals for **Gallantry**; Comparison of Pay Scales of Police Personnel in different States; Terrorists/Extremists affected districts; Police Officers transferred; Availability of Mobile Forensic Vans; Computers held by the Police Departments; Firearms looted/stolen from police.

For the first time data on Number of Criminal Courts has been compiled. Required information has not been received from a number of States/UTs, hence the same has been indicated accordingly in **Tables 11.8 (Page No. 144)**.

Police Medals for Gallantry

These Medals are awarded to the police personnel for exhibiting conspicuous gallantry in saving life and property, or in preventing crime or arresting dangerous criminals. During 2007-08 a total of **24** President's Police Medals for Gallantry (**PPMG**) and **239** Police Medals for Gallantry (**PMG**) were awarded for outstanding performance to the Police personnel from the States/UTs and Central Police Forces. Details are given in **Table – 11.1. (Page No. 137)**

Gallantry Medals 2007-08

S. No.	States/CPOs	PPMG	PMG
1	Andhra Pradesh	2	23
2	Assam	0	19
3	Delhi	0	25
4	Himachal Pradesh	0	30
5	Manipur	0	27
6	Uttar Pradesh	0	29
7	BSF	8	13
8	CRPF	8	34
9	Rest of States/CPO	6	39
	All India	24	239

Out of the total of **24 PPMG Medals** awarded, 16 (66.7%) have been accounted for by the BSF and CRPF alone. In the case of Police Medals for Gallantry 200 Medals have been awarded to the deserving Police Personnel of 6 States and 2 CPFs as shown in the **Table** above which accounts for 83.7% of the total medals awarded during 2007-08 in the country.

Comparison of Pay Scales of Police Officers

The pay scales of police personnel from the rank of Constable to Deputy Superintendent of Police (Dy. SP) are almost same in the most of States/UTs of the country. But in some States there is a wide variation in the scales in comparison to these being paid in some other States. **Assam** has **minimum** pay scale for constable to Dy.SP. 4 States & 5 Union Territories have adopted the Sixth Pay Commission Report and revised the scales accordingly whereas the remaining States/UTs have the same scales as last year.

Details are given in **Table – 11.2. (Page No. 138)**

Terrorists/extremists affected police districts

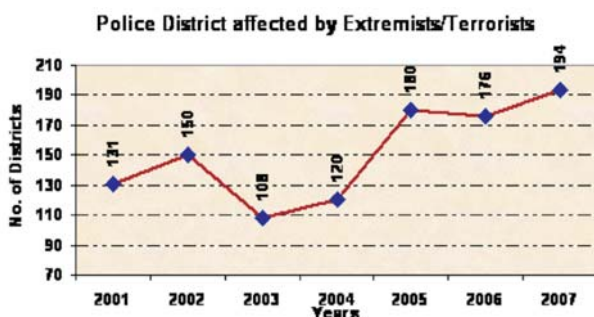

A total of **194** police districts in the country were affected by terrorism/extremism during the year 2007. Five states namely **Assam, Bihar, Jammu & Kashmir, Jharkhand and Orissa** facing conflict situations, contributed about 56% of this total. 27 police districts each in **Assam** and **Bihar**, and 21 districts in **Jammu & Kashmir** and 16 districts in **Jharkhand** and 17 districts in Orissa were shown affected in 2007. Details are given in **Table – 11.3. (Page No. 139)**

Districts affected by terrorism/extremism in 2007

Police Districts	Affected	Total	%age of State Affected
Assam	27	28	96.4
Bihar	27	40	67.5
J&K	21	22	95.4
Jharkhand	16	26	61.5
Orissa	17	34	50.0

Almost entire states of **Assam (96.4%)** and **Jammu & Kashmir (95.4%)** bore the brunt of this conflict by the extremists/terrorists activities.

Number of police districts affected by Extremists/Terrorists during the last seven years 2001 to 2007 has manifested largely an increasing trend except 2003 & 2006 when it decreased as shown in the **graph** below. This is a disturbing trend and poses formidable challenge before the security forces.

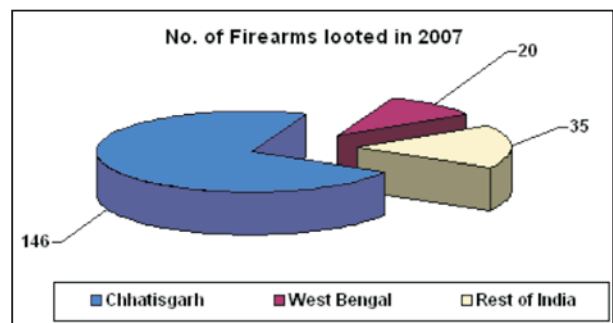

Extremism/insurgency related conditions entail deployment of more Central Police Forces as well as State Police Forces to control the highly armed Extremists / Insurgents in these areas. All out efforts are being made not only to curb this trend but to reverse it as well, in order to ensure that writ of law runs effectively in all the areas of our country.

Police manpower alone is not sufficient to curb the crime, maintain law & order, traffic management, internal security & allied requirements unless they are facilitated with basic necessities like computers, cameras for security, Traffic and investigation, speed checking & breath analyzers instruments and mobile forensic science vans etc. to work smoothly & more effectively. So States/UTs wise information on computers, mobile forensic science vans etc. is also compiled & presented in **Tables - 11.5 & 11.6 (Page No. 141 to 142).**

Number of firearms looted / stolen

During 2007 data on the number of firearms looted/stolen from the Police/Police Stations has not been received from the states of **Bihar, Jammu & Kashmir, Jharkhand and Meghalaya**. From the rest of States/UTs, **Chhatisgarh and West Bengal** alone accounted for 166(82.6%) of the total 201 firearms so looted/stolen during this period as shown in the graph aside. Details are given in **Table – 11.7. (Page No. 143).**

Number of firearms looted from Police/Police Stations at the All India level over the last seven years 2001 to 2007 is depicted in the **graph** below. It reveals generally a decreasing trend for the **looting** of the arms from the police **custody** except 2004, when it increased significantly. The looting of arms generally takes place in the terrorists / extremists affected areas. The aim of extremists attacking police force is not only to loot the arms for their own use but to demoralize the police force also. The Government of India and the State Governments are conscious of this disturbing phenomenon and have initiated a string of steps to curb this

trend altogether in terms of better security arrangements for the field police units and better training of police personnel to handle such situations effectively.
