Gratitude space.....

**“All the power is within you; you can do anything and everything.
Stand up and express the divinity with in you”**

—Swami Vivekananda

BPR&D has been making efforts to promote **Good Practices and Standards** in the field of Police and Correctional Administration (Prisons) in the country.

‘Data on Police Organizations in India’ is one of the many initiatives of the BPR&D to present to all the stakeholders in the Criminal Justice System in general and police officials in particular, such information that gives them access to and an insight into basic and vital statistics about police administration all over the country. It is a source of valuable data about Police in one place to be put to such diverse uses as planning for infrastructure building for police, undertaking research projects to reach at the root of various unusual trends, to use it as objective and empirical inputs for policy decisions respecting police and policing in the country etc.

Publication of this edition of **Data on Police Organizations** has been the outcome of collaborative effort of the Ministry of Home Affairs and the Heads of CPFs, Director General/Inspector General of Police of all States and UTs, Director, NCRB and others, who not only furnished the requisite data pertaining to their States/UTs but also had it checked and rechecked as and when requested by the Bureau. Our sincere gratitude is due to all of them and their officers.

The task of compiling and analyzing the data received from all States/UTs (except Bihar) and CPFs of the country is not only a very laborious exercise but also needs rich inputs of guidance from the senior officers of the Bureau in order to derive logical and intelligent inferences from the data so compiled and analyzed.

My personal gratitude are due for the most valuable guidance of Shri P.Mukherjee, DG, Shri Rakesh Jaruhar, IG/Director, Shri P C Sabarwal, IG/Director, Shri R C Arora, IG/Director, who have been very indulgent with the statistical unit of Special Policing Division to bring the publication up to the desired quality. The change in get up and style of presentation of data in this edition is specially attributed to DG, BPR&D.

Statistical Unit of the Bureau ably headed by Shri B.R. Sharma, Joint Asstt. Director with valuable contribution from, Smt. Uma Negi, Senior Investigator, Grade-I, Shri Harjeet Singh, PA, have really worked commendably to make this publication a reality. Shri A.K. Sood, AD (Admn) has been a valuable source of strength to this unit.

Suitably abridged version of this publication shall also be available very shortly on our website **www.bprd.gov.in**.
