Micro Mission Meeting on Women & Children

Micro Mission meeting organised by the NPM Division on issues relating to Women & Children was chaired by Shri V H Deshmukh, ADG, BPR&D. As a part of the proceedings, a detailed presentation was made on the ongoing projects on various subjects, including acid attack victims, juvenile justice, investigation techniques & prevention strategies.
Training on Investigation of Crimes against Woman

- 3120 Sexual Assault Evidence Collection Kits (SAECK) were issued to various States/UTs for training in 2018-19.
- The BPR&D has trained more than 7,300 investigators and prosecutors on 'Woman Safety' against the target of 6,700 officials and aims to train about 700 more officials by the end of March 2020.
Cyber Harassment cases are one of the major challenges in front of LEAs where Cyber Predators/Cyber Harassers are using digital technology as a means for committing the crime in the form of Cyber Bullying, Stalking, Trolling, etc., against Women & Children.

- Mod Division has prepared comprehensive training curriculum for LEAs pertaining to Cyber Crime Investigation, Digital Forensics and Digital Evidence collection procedures with special focus on woman safety & security in cyber space.
- MHA has sanctioned about Rs. 7 crore for the award of 7 projects for combating cyber crimes against women and children.
- MHA, under the I4C Scheme, has allocated Rs. 30 crore for developing research-based solutions / tools for investigation of cyber crimes against women and children.
