**Sub : Using the Internet as an Intelligence Tool (INTINT) to be held at  
CPC, Ottawa, Canada from March, 05–09,2018 nominations-reg.**

Sir,

MHA,GOI has approved 07 slots in the Course offered by Canadian Police college, Ottawa, Canada on “Using the Internet as an Intelligence Tool (INTINT) to be held at CPC, Ottawa ,Canada from March, 05 – 09, 2018 for Indian Police officers of the rank of ASP to DIG.

**(a) The Purpose:**

This is a five-day course for law enforcement personnel who must conduct Internet-based online research activities as part of their computer related investigations. It also serves as an introduction to Internet and computer related investigations.

**(b) Course Objectives :**

By the end of this course, participants will be able to:

- apply the intelligence analysis research process when searching the Internet;
- apply various search techniques to effectively search the web;
- search indexed and non-indexed web sites;
- describe the importance of being anonymous while gathering intelligence on an identified occurrence;
- describe Web 2.0 and its intricacies;
- protect their online identities using obfuscating tools; and
- Archive a website for offline viewing.
